

EXHIBIT 3  
DATE 3/20/09  
SB 327

Senator Aubyn Curtiss:

I strongly oppose SB 327 and am amazed that you would attempt to insert into Montana's homicide statutes the term "unborn child" from the moment of conception. This is just another attempt by extremists to attempt to take away a woman's right to a legal abortion. Who are you kidding? Women are citizens who have the right to make decisions regarding their own bodies. This is the law.
